## Testimonial of Retired Infantry Platoon Sergeant

### ***Infantry: "Follow Me!"***

I am a retired U.S. Army Infantry NCO (SFC/E7) platoon sergeant. I last served with D Co, 1/8 Inf, 4th ID... I also was in CSC, 1/46 Inf, 1st AD.

I have been stating for many months that I took an oath when I first enlisted back in 1975 and that no one told me I was no longer bound by that oath when I retired. That oath was to protect and DEFEND the Constitution of the United States against all enemies, foreign and DOMESTIC, so help me God. I intend to do just that, as this is not the country I intended to bequeath to my sons and grandchildren. It is extremely refreshing to know there is an organization which supports my beliefs - please count me in as a member.

You have my permission to use both my name and statement, as simple as it is in comparison to some of the others. It is an honor and privilege to serve with you and stand beside all the others who remember their oath and allegiance to the

**Constitution of the great nation.**

**Sincerely,**

**Jonathan L. Hughes**

**SFC, USA (ret)**
