Testimonial: I, Seth Andrew Barnes, love what the Oath Keepers is all about and supports it 19999999999999999999999999999999%. I took the oath, and will stand behind it. I support everyone that has taken the oath and everyone that will take it. I wish that I could become a member, but at this time I have no source of income, but the first chance I get enough money I will. Thank you all for standing up for what is right God bless.

SEMPER FIDELIS

Seth.
