Testimonial: I remember the first time I swore my allegiance to our federal constitution. I was proud and somewhat apprehensive that I had assumed such a great responsibility.

Over the years I have taken the oath several times, but never lightly, and always knowing that the first time was carved in stone.

Army, [ours]: 1965-1968, NG:1984, USAR,1985, NG:1986
