I took an oath to preserve, protect and defend our beloved Constitution--not follow the fascist traitors in Washington (both sides of the aisle)

I am a retired USAF Lt. Colonel (13 years active duty: 8 years Air Force Reserve Command) and was pleased to discover Oath Keepers. I took an oath to preserve, protect and defend our beloved Constitution--not follow the fascist traitors in Washington (both sides of the aisle) who continually chip away at the constitution and our Bill of Rights.

Here in Texas, I am the senate marshall of the 13th Congress of the republic of Texas.
