He is our hero as well. We here in Anonymous are well versed in the injustices as well as tyranny this government delivers everyday. The speech was heartfelt and beautifully delivered We stand with you. Sending love and light to you.~ #opponykisses Engaged

You can see the impact just a little right of LaVoy's seat. They talk of damage to the windshield but realize it is a paper on the dashboard. However, there was an impact and I noticed that when the drone camera later shows the front of the truck the damage to the roof is barely visible. Everyone should revisit the video. ]]>
