## Army Reserve Officer And Cold War Vet Speaks Up

**I enlisted in the Army Reserve National Guard in 1975. I was commissioned in 1984. The best years of my life was spent serving my country.**

**Lately, I have my reservations, but...I served proudly.**

**We are veterans of the Cold War. I have given my oath...to the people and to the Republic for which it stands. May the Lord guide us and protect us from further harm.**
