Together, we will teach classes on how to set up local Oath Keepers chapters in every county

and how to conduct outreach to military and police.

HOW YOU CAN HELP:

Let any July 4 Tea Party organizer know that we can set them up with a written Oath Keepers speech and oath ceremony that any veteran or police officer can read at their event - it does not have to be an official Oath Keepers representative. And the oath is designed to be for average citizens too, not just for military, police and veterans. For example, at the Knoxville Tea Party, we had 3,000 people stand and take the oath.
