Live Free or Die

My Name is Mark Dieteman, CPO,USN Retired. I served from 1970-1991. I am a Vietnam and combat Veteran. I served with honor, and, yes, I remember my oath because I gave the best years of my life to honor it.

Please add me to your list of membership. I am 56 now, in fighting shape and will never follow orders that will hurt my fellow Americans or make a mockery of our constitution.

Nor will I permit others to do so without facing me in the fight of their lives! Live Free or Die and God Bless America and her People.

Mark, CPO,USN Retired.
