Active Duty Police Officer and Retired Navy Veteran

After serving in the Navy from 90 to 93 on board the USS Blue Ridge I became a Police Officer and Im still on the force.

Not only will I refuse any unlawful order that violates the Constitution I will fight the tyrants that give the orders.

Rest assured that me and my brothers in Law Enforcement talk about this subject on a regular basis. About 80% feel the same way I do.

I ask the "rookies" that when it comes down to the "nut cutting" who's side will you be on, the founding fathers who made this Country so great or the tyrants that are in power now? I took the Oath twice and will uphold it two fold.

God bless America!
