—

John Wallace continues to substantiate the Oath Keepers movement in New York with wisdom and strong character. The New York Oath Keepers' first annual Awards Banquet was a pleasant success in many ways. [Mert Melfa Media](#) caught the upbeat and enjoyable event on video.

**Stewart Rhodes was in good form as the featured speaker. (excerpt from above video)**

A good recap of the banquet is at [Liberty News Online](#). Their headline reads:

## **BARACK OBAMA WINS THE ‘KARL MARX’ AWARD FROM THE NEW YORK OATH KEEPERS**

**On June 26th**, 2015, the New York Oath Keepers held their ‘First Annual Awards Dinner’ in Albany, New York. At that dinner, the following three constitutional awards were given out:

**THE EAGLE AWARD** – Given to individuals who have given decades of their lives to protecting and defending the U.S. Constitution and the New York State Constitution. That award was given to Robert Schulz, the founder and Chairman of ‘We the People Foundation for Constitutional Education’ for devoting many decades of his life in protecting and defending both the U.S. Constitution and the New York State Constitution against attacks by politicians at for the federal and state level.

**THE LEADERSHIP AWARD** – Given to individuals who, by their demonstrated leadership abilities in the Constitutional and Liberty movement, have been able to inspire and organize their fellow citizens to protect and defend the U.S. Constitution and the New York State Constitution against attacks by the state and federal governments. This award was given to Stephen Aldstadt – the President and CEO of Shooters Committee on Political Education (SCOPE). As the head of SCOPE, Mr. Aldstadt has provided the leadership necessary for SCOPE to be at the forefront of the battle against the New York UN-SAFE Act.

**THE NEW YORK CONSTITUTIONAL SHERIFF AWARD** – Given to a New York State Sheriff who understands the grave implications of our eroding Constitutional protections under both our federal and state governments, including fighting against Second Amendment attacks under the New York Safe Act and fighting the designation of organizations like the New York Oath Keepers as right wing extremists simply because they oppose unconstitutional laws and acts by the federal and state governments. This award was given to Fulton County NY Sheriff Thomas Lorey, who has been at the forefront resisting the unconstitutional NY SAFE Act.

The award that created the most interest that evening was the ‘KARL MARX AWARD’ that was to be given to an individual who by his or her actions has done more to destroy the unalienable rights of the people, divide America by class and race, to destroy the constitutional limits on government as outlined in the U.S. Constitution, while at the same time implementing many of tenets of the ‘Communist Manifesto’ (as written by Karl Marx and Frederick Engels) into our Republic.
