*Does the Military Industrial Complex really want to pick a fight with these guys?*

Talisman Sabre 15 will involve 33,000 troops from Australia and the United States. It also will involve the FBI and some other Federal agencies, such as DIA. Worse, it will also involve the United Nations, reports [Gary Franchi](#).

*Editor's Note: If you click that little YouTube thingy in the bottom right-hand corner of the video it will take you to this video on Next News Network's YouTube channel, where you can click "show more" to read the text of Gary's audio for this video. Recommended.*
