Marine Veteran Sounds Off

I am a former Marine Grunt, and I support your Oath, as well as the one I took when enlisting.

To those servicemen, and women who are still apprehensive to come forward and join the fight, don't be. You are a crucial part in saving this country, and should not hide. This government can only impose its will on this country with its military, police, and national guard on its side. If we all stood together, like we did when we swore our oath's this could not stand. Please hide no more brothers, as you are needed.

If you still are looking for incentive consider this dandy put together by your commander in chief.

*P R E S I D E N T
V E T E R A N I N*

Do you see anything in there but contempt, and a attempt to make veteran's so destitute that they cannot fight back. Boy, are they in for a shock.

To my Devil Dogs:

The Marines I have seen around the world have the

cleanest bodies, the filthiest minds, the highest morale, and the lowest morals of any group of animals I have ever seen.

Thank God for the United States Marine Corps!

**Eleanor Roosevelt, First Lady of the United States,
1945**

Honor your oath, and join us..
