Testimonial: I served my country proudly for 21 years as an Active Duty First Sergeant. I took my oath with conviction and honesty and supported that oath. I am sickened today with where this country is going and the actions that are forced on fellow Americans. This country's Government was established for the protection of Americans Rights,, and it has been changed into a system of Government control and resembles a dictatorship style of Government.

I stand committed to my oath to Support and Defend the Constitution of the United States for the people and by the people.
