I guess we've been found out.

We are a bunch of softies.

Once at Lexington Green we were not allowed to sell T-shirts. Many who were there were not able to purchase one. And many of you did your best to get there on short notice and just couldn't make it.

So we are making Lexington Oath Keeper shirts available. But don't even try to talk us out of a tab.

Prices are \$25 for short sleeve \$30 for long -the price has shipping included (pictured above).

Click the donate button, enter the price and put *shirt* in the message area, along with the number of shirts and size (S- XXXXL) or sizes you want.

Also, make sure your Paypal address is where you

want it sent, if not, put the ship to address in the message as well. If you don't do Paypal, send us an email and put *T-shirt* in the subject line so that we'll see it.

**SPECIAL WHITE SHIRTS MADE UP BY LCMDR
GILLIE**

LCMDR Gillie also made up long sleeve shirts with the full color photo on the front.

For those shirts send a \$45 (includes shipping) check or money order to the address below or if you want to pay by Paypal for these shirts use the donate button above but be sure to put *Gillie shirt* in the message so we know what shirt you are buying.

"Oaths in this country are as yet universally considered as sacred obligations. That which you have taken and so solemnly repeated on that venerable spot, is an ample pledge of your sincerity and devotion to your country and its government." - John Adams - October 11, 1798

**We mutually affirm our oath and pledge to each other our Lives,
our Fortunes, and our sacred Honor. - Oath Keepers - Lexington
Green, April 19, 2009**

**The above pictured white shirt was made up by
LCMDR Gillie and was more expensive to make, and
thus has a higher price.**
