Testimonial – Don Perry

[0000](#)

[February 18, 2015](#)

Testimonial: I did not have the honor of serving in the military, but when I joined the MCSD SAR team, I took an oath to up hold and defend the Constitution of the state of California and I took it upon myself to add the US Constitution at the same time. It would be an honor for me to give my life for my country and for freedom of the American people.
