Testimonial: What does the Oath I took 25 yrs. ago mean to me?

I, In effect, wrote an open-ended check payable to My Country in the amount of, or up to, my Life. In it's defense and to uphold and defend the Constitution of the United States from ALL enemies foriegn and domestic. Which meant as an Active Duty soldier I would fight/defend when ordered. And which means as a Veteran citizen I will speak out when things aren't right and defend when I must. That is our duty as law abiding citizens.
