**Let's spread around** a little bit of old-fashioned Americanism to wrap up the waning year. Oath Keepers wants to say “Thank You!” to all our patriotic members and supporters who have stood with us across 2015 and stoked the fires of liberty and freedom as protected by the written word and will of the American people — the Constitution for the united States of America. Enjoy this presentation by Charlie Daniels, a true country music patriot.

**Blessings to ye all, and Happy New Year!**

**Salute!**

**Elias Alias for the entire Oath Keepers national staff**
