He’s a great Sheriff, he protects the people in his County and respects the Constitution, unlike those in Power running Oregon. Not everybody is in agreement with this crime on the part of the Fed’s, who manipulated the state police to do their duty work. Even the legislators are on board with this cover-up, just passing house Bill 4087 that shields the names of the Officers that killed Mr. Finicum. Oregon is Corruption at it’s finest, from the governor down to city hall. ]]> <https://www.oathkeepers.org/grant-county-sheriff-accused-of-helping-refuge-occupiers/#comment-70330> Tue, 23 Feb 2016 02:42:09 +0000 <https://www.oathkeepers.org/?p=10163#comment-70330> Actually he is not just the senior LEO he is the senior EXECUTIVE OFFICER. Therefore he is absolute top dog in his area of influence. The Sheriff is the law of the land, period. That’s why Ward is getting so much flack. He gave the Feds permission to do what they did. **[One word deleted by Elias Alias, editor]** judge Grasty and I have no nuts sheriff Ward were both involved in the BLM land takeover and are only in it to save their own asses.

Feel free to them how you feel. No threats though. Oh yeah, I added the Portland FBI email too.

The county sheriff is the ranking LEO in any county in the United States. ]]>
