Thank you, Elias, for posting this! It is a good way to end our year in remembering WHY we stand or the US Constitution. And why we ARE going to replace the Traitors and Domestic Enemies of our nation.

Our nation, our US Constitution, our way of life is worth fighting for.

Happy New Year All!!

May all your dreams come true.
May your blessings be many.
May your disappointments be few.
Remember always that great patriots are always protecting this land.
And this nation is the greatest of all because your Constitution provides a freedom that is second to none.
That is why many outsiders desire to come here.
So they too can be free people to be honored and envied by all.
We will remain free if we all stand tall.
For no one can take your freedom from you if you are willing to stand with the patriot crew.]]>
