Peace officer

Testimonial: I am an 18 year law enforcement veteran, and teach and design training for both entry level and in-service peace officers as a certified California Commission on Peace Officer Standards and Training Master Instructor.

I became a police officer for one reason, to help those who can not help themselves. As peace Officer we do this by upholding and enforcing laws. Every cadet is taught the difference of “Spirt of The Law” vs. “Letter of the Law.” Every cadet is taught that they can use discretion to enforce the law based on the their judgement.

It is paramount that every police officer and service member remember and understand that their service is to the people. We our not nor ever have been government servants but servants of the people. Our oath, the oath that every peace officer takes is to protect the Constitution of the United States of America, not to right tickets and serve the government, but to protect the American people, by protecting the very thing that protects us all.....the Constitution of the United States of America.
