

W E D N E S D A Y ,
Air Force Veteran Swears by his Oath

Brothers and Sisters,

I served this great nation for 25 years, in the USAF and I will, in what capacity I can, for the rest of my life. I guarded nuclear weapons in the Strategic Air Command, and stood in the shadow of Russian chemical weapons in Germany. I do swear to stand by my original oath first made in 1979. I am proud to join you in yours. Do you have state organizers? Put me down for Alaska.

"Every government degenerates when trusted to the rulers of the people alone. The people themselves are its only safe depositories."

Thomas Jefferson
