

F R I D A Y , M A Y

I have ALWAYS believed in my Oath to the Constitution.

Dear Sir,

I am a former Marine, Medically discharged at seventeen and a half years to keep me from retiring (bad lungs they said, yet I ran 5k a day until I broke my foot at age 53) HR 1388 has angered me beyond words. NO ONE will take my children or Grandchildren to any Government "Campus" (read Concentration Camp) for "Re-education".

I have ALWAYS believed in my Oath to the Constitution.

Sincerely,
Alfred C. Dutton
