How to Join

Many people have asked how to join.

And many people have asked if they can join even if they have never taken the oath.

We are open to all.

We'll have a more formal membership later but for now, simply email us telling us you want to join the ranks and include whatever level of information you feel comfortable giving (if you want to be J Doe at 123 anon street that's fine with us.) If you have a testimonial you'd like to share, email it along with any photos or emblems you'd like posted with it.

Yes, we are backlogged but, happily, we are catching up.

Soon we will have challenge coins, patches, bumper stickers etc. In the mean time, feel free to print anything on here and put our link on it.

And sign in at our new message board, after registering, scroll way down the main page to partner sites and click Oath-Keepers.
