FOR IMMEDIATE RELEASE

### Local Giver needs to Receive, to LIVE...

Las Vegas, NV. July 3rd – **Dusty Buckel**, a Las Vegas local resident for over 29 yrs is in Stage IV Cancer of the Lymph Nodes and does not have health insurance.

"I have been graced with health most of my life, so I lived life fully as a giver, here to help, and now I am humbled to the position of having to ask for help, to live."

Dusty Buckel is many things to many people not only in Las Vegas but around the world.

Along with being an Ordained Minister, known to thousands as Rev Dusty.

Dusty has had her own radio show & television shows, *An Opportunity to Make a Difference* for years; is the originator of of Secret Santa which provides toys, food and necessities for hundreds of Las Vegas families every year, as well as helping stranded mothers off the streets and helping our Vets with clothing and counseling.

Dusty engages donors to give namelessly, selflessly. All who know Dusty have been graced by her extreme presence and drive to help those who need help on many levels, body, mind and spirit... Dusty lives to Give...

The stories are many, and those of you that know her or have been in connected with her, either through a real estate transaction, past president of Commercial Marketing Group in LV, Church, or on an outing in Sedona, AZ, knows the grace of this woman.

Now Dusty needs medical treatments for Stage IV Cancer of the Lymph Nodes. She has been receiving "Intelligent Medicine" out of the country and needs to continue the therapies or she will not survive. We are asking the community – please GIVE TO LIVE for DUSTY, NOW. The cost of treatment is \$21,600.00 for 3 week stay to detoxify her blood, strengthen her body to help itself in destroying the cancer cells.

The hospital ~ "Bio Science Research Institute" is dedicated to the CURE, not just treatment. Centro Medico Excel, (a hospital in Mexico, owned by a San Diego cardiologist) has 4 of it's 15 story floors. Dr. Carlos Bautista is Dusty's doctor along with world renown cancer specialist, Dr. Donsbach. Contact: Gosela (Dr. Bautista's Assistant) 619-519-6374 for more information.

"This is a complete humbling experience, asking for help, but I choose to live.",

says Dusty who is always Responding to Miracles!
