USMC warrior and former police officer

I am a Viet Nam veteran with 1st Recon Bn., 1st Marine Division; a six-year USMC warrior and former police officer. As a student of history, I KNOW that the conspiratorial theory of government is NOT a theory but FACT; and the FACT is that the government/banking/internationalist elitists are actively planning and putting into place the total destruction of our Republic.

My question to all my brother Marines, active, veteran, retired – whatever: Are you going to honor your oath and what our Corps stands for, or are you going to meekly “follow orders”? Does “Semper Fidelis” mean always faithful to the traitorous, worthless political bastards or always faithful to the Constitution?

I am 60 years old and realize that most of my life is over. I am settled with the fact that I will not survive the coming confrontation. I also KNOW that I will take as many of the modern day Gestapo with me as I can. I WILL NOT ALLOW MY FAMILY TO LIVE AS SLAVES, NOT WHILE I LIVE. I WILL NOT GO QUIETLY!

May God Bless America – what we were, not what we are!
