Testimonial: If you can't keep your word, You don't have a word to stand on!!

My Father who fought in WWII always told me to tell the truth and I had my behind whipped many times. I was probably one of the last generations to be hit with a stick or hand, but it made me who I am today. It hurt for a few minutes but it made me a good person today!! So that is my saying, keep your word and look up, God is there and has been from the start!!
