"I proudly voted for Obama . . . I will be proud to call myself an Oath Keeper."

I proudly voted for Obama in the previous election, and I will be heading to OCS in Quantico, VA to take the oath and become a United States Marine in the near future.

I will be proud to call myself an Oath Keeper.

There goes all the 'anonymous' idiots' racists anti-Obama claims.

Go back to your world of warcraft and final fantasy, this is big boy stuff.

[Note from Oath Keepers, we are absolutely a non-parson group as the video below explains]
