EMERGENCY COMMUNICATIONS

As the military saying goes, “if you ain’t got commo, you ain’t got jack.” Communications are critical. Every American needs to have at least a hand-held HAM radio and the knowledge to use it for local communications. We then work to get you up to General Class level to talk to your whole state or the nation.

The Only Four Things You Should Trust In The Months Ahead

Posted: November 11, 2014

It seems like there is less and less that people can hold any trust in these days. The government lies about everything, more so than usual...
