Message From Radio Host Devvy Kidd:
My radio guest TONIGHT: Lt. Behenna's
mother (see link)

FROM DEVVY KIDD:

I covered this on my radio show a few weeks ago. Tonight, Tues, June 30th, Michael's mother is my guest.

Lt. Behenna is serving a 25 year sentence for killing an Al Queda operative in Iraq.

I believe this is an outrage according to the facts:

**Vicki Behenna is a United States Attorney.
Michael's father is a retired Special Agent with
the Oklahoma Bureau of Investigation.
As with the border patrol agents, Ramos and**

Campeon, I hope we can bring enough public pressure to get Michael out of prison. I hope you'll spread the word to have people listen in while Vicki explains the prosecutorial misconduct and withholding of evidence in her son's case. It would also be great if talk show hosts could also get her booked on their shows.
