We're going to proclaim the need for freedom from debt and high taxes! After the rally at the Amphitheater we will march to the Federal building, where we will have a re-oathing ceremony for our

veterans, officials, and public officers who desire to participate.

Stewart Rhodes will be speaking at the Knoxville Tax Day Tea Party on April 15th.

Stand with active-duty military, veterans, law enforcement officers and fellow Americans and reaffirm, or take for the first time, the oath to protect and defend the Constitution from all enemies, foreign and domestic.

The ceremony will be filmed for the Oath Keepers website. Individual statements, which will be filmed on-site, are encouraged and appreciated.
