Oath Keepers Media working in partnership with Revolution Radio (freedomslips.com) is pleased to announce that we have a live stream available for getting updates from the boots on the ground perspective. Sheri Duvall, of Redoubt News has been keeping us up to date with the situation with the Oath Keepers, Pacific Patriot Network, III% who are acting as a buffer zone and the Citizens for Constitutional Freedom at the Refuge itself. If you would like to support the direct funding of this alternative to the mainstream media coverage please use the pay-pal button at the bottom of the article and it will go directly to Revolution Radio who in conjunction with Oath Keepers is funding the Live Stream.

You can access the Streams outside of the Oath Keepers Site by [clicking here](#).
