Gitmo interrogations spark battle over tactics

Speaking publicly for the first time, senior U.S. law enforcement investigators say they waged a long but futile battle inside the Pentagon to stop coercive and degrading treatment of detainees by intelligence interrogators at Guantanamo Bay, Cuba.

Their account indicates that the struggle over U.S. interrogation techniques began much earlier than previously known, with separate teams of law enforcement and intelligence interrogators battling over the best way to accomplish two missions: prevent future attacks and punish the terrorists.
