[February 19, 2015](#)

Testimonial: As a retired Marine and a current Federal officer, I WILL NOT COMPLY with any orders that tyrannize or serve to tyrannize my fellow Americans. I will band together with my fellow patriots to stand firm against all enemies of the Constitution, foreign AND domestic. I will remain loyal to my oath taken back in 1978 and re-affirmed on re-enlistments and promotions!

I urge ALL like-minded veterans, active-duty, and law enforcement officers to join us.
