Just being in prison does not change a life-long criminal and disrespecter of law enforcement into a person who respects COs. Your idea of requiring law enforcement wannabes to shadow a CO for 6 months IS an excellent idea.]]> <https://www.oathkeepers.org/media-channels-splc-to-attack-oath-keepers-in-ferguson/#comment-39879> Sat, 22 Aug 2015 10:16:49 +0000 <https://www.oathkeepers.org/?p=7617#comment-39879> Sorry you see us that way. There are likely a few Oathkeepers who are exactly as you have written, but there are always several in any volunteer group who have ulterior motives. Oathkeepers are present when and where invited, to protect the Constitutional rights of all, not merely white business owners. I encourage you to read about us from the Oathkeepers website.]]> <https://www.oathkeepers.org/media-channels-splc-to-attack-oath-keepers-in-ferguson/#comment-39377> Thu, 20 Aug 2015 14:38:59 +0000 <https://www.oathkeepers.org/?p=7617#comment-39377> It has been the UN Piven & Cloward Divide and Conquer stuff which is a out of the Communist Manifesto hand book, SPLC is just this. ‘Black Lives Matter’ organization has become increasingly militant with their actions to get these presidential candidates to (basically) declare all Whites illegal, if not “privileged, therefore....will we see ‘Whites Only’ restrooms again? Is this the “what goes around comes around” plan for Whites?

White cops are becoming paranoid when dealing with Blacks, when most crimes are created by Blacks.

Blame it on poverty, joblessness, or whatever comes to mind....the bulk of our prisons are overloaded with Black offenders, because Blacks wreak havoc in their neighborhoods when law enforcement is not present. Why? For many Black activists, it’s a means of survival and control following a history of slavery that has evolved into modern day slavery when a Black prisoner is paid one dollar an hour to build furniture or fight wild fires. The animosity and hate is escalated when Blacks feel the residue of slavery by Whites. Yesterday it was the Plantation owner and today it is the prison Warden, but would things be different if the prisons were mostly White? I think not....

When a White person shows up in a dominant Black neighborhood, he may not come out alive. That’s a general known fact, because of drug gang and prostitution activities, not usually found in White neighborhoods.

However, a White woman or man can walk down the sidewalk in a completely Black neighborhood, or enjoy drinks and music in Black night club and actually make friends! Not in America, but only in the Bahamas, Jamaica, and other Caribbean countries. That’s proof enough the “Race Card” is the mainstay of American policy/politics.

Therefore....White Oath Keepers attempt to show a Black community that (WE) are NOT racist, but there for the Black business owners....the SPLC jacks-it-all-up and prompts the media to go on the attack against OathKeepers because they’re White?

What I’m trying to say here I guess....it’s NOT going to get any better and the ‘powers-at-be’ behind the scenes are promoting ‘Black Lives Matter’ to be (actually) very racist and militant....which can easily piss-off the millions of Whites that have compassion for what the Black man/woman faces everyday... which is themselves, facilitated by the benefits of drugs flowing into large cities from Mexico.....a very dangerous ingredient that can spark a Civil War, pitting law enforcement against everybody, Black, White, and Hispanic.

We have to follow the obscured agenda and what party, or faction will benefit from creating civil unrest in America. AND...I’d say the agenda is the beginning of Martial Law (planning) to disarm everyone!

Martial Law cannot be initiated if there is nothing going-on, and mass shootings are not enough of an excuse, but instead....getting Blacks in an uproar can do it !

It would seem obvious that an economic collapse will further destroy the Black community and violence will increase proportionately. (Street drug dealing, drive by shootings, and rip-offs will increase). The flames are being fanned everyday and 'Black Lives Matter' is the new angry Black Panthers movement....but who is subsidizing them? Soros? Singer?

Blacks and Whites had better find common ground and see what is in store for all of us, before it's too late. Cops need to be sorted-out and the small percentage of bad cops need to be fired. ALL new police recruits NEED to conduct initial training as a Correction Officer while serving for a period of no less than 6 months before being handed a gun to patrol a racially charged neighborhood.

FACT: Correction Officers carry no weapons.....and 99% of the time, the Correctional Officer has the respect of every Black, White and Hispanic prisoner, often having to de-escalate a situation with nothing more than his own actions and commonsense.

As far as White Oath Keepers carrying weapons into Black neighborhoods, to PROTECT Black people, the media will continue to be driven by the infamous hate organization, the Southern Poverty Law Center (SPLC)....and if the population ever becomes tangled in a Civil War, the finger will then be pointed at the SPLC, and like the Nuremburg Trials, Mark Potok and his bunch will be arrested.

Sure, not all of the organizations besmirched by the SPLC are quality folks as the Oath Keepers definitely are but that agenda-driven SPLC mob even labels folks that do not approve of criminal illegal aliens swarming across the border who commit horrid felonies upon USA citizens as being a "hate group." So much of what those bizarre buffoons at the SPLC do borders upon idiocy.

As for getting the word out to others as recommended in the article above there are many ways to do it. I use Pinterest when an article has a picture to place at <https://www.pinterest.com/>

It is an easy-to-use site and the "pins" I place there promoting Oath Keepers are regularly viewed by those visiting my Pinterest page. You can return to an already-done pin and use the comment area to add more information to your pin. The number of words are limited per comment but multiple comments per pin allow you to share information.

There are many other sites where pro-Oath Keeper information can be disseminated. I urge all of us to do what we can to engage in the ongoing "propaganda war" that the tyrannical forces opposing We, the People have a great advantage in doing due to their immense wealth and ownership of much of the mass and local media. We have the power of freedom and the Founder's words backing us.

All the best to all of you fine folks. Your efforts are appreciated and all of us are assisting a good cause.
