## U.S. Air Force, an Old Kentucky Boy Doing His Part

**I am just an old Kentucky Boy doing my part for America.**

**I was in the United States Air Force Security Police, in Nuclear Security.**

**I served my country from 1978 to 1986. When I enlisted I gave my oath to protect my country from all enemies foreign or domestic .**

**That oath did not come with an end but is forever. If our government turns trader then I will protect America even from our own people if that is what it takes.**

**I have always hoped it would never come to that but, I think the time is here. I believe we must do all we can to protect our freedom even unto death.**

**I hope our soldiers never come to take away our rights but hope they will understand and join our cause. Freedom comes with a cost. I am willing to pay the utmost cost to see and keep freedom for our children and grand children.**

**Lets take the oath again to forever protect our**

**freedom no matter what the cost.**

**David W. Ray**

**Disabled American Veteran**

**American Legion Member**
