Testimonial of Rex H. McTyeire; Maj, US
Army Special Forces (ret)

Request permission to Come Aboard

Hi People;

Congrats on getting this off the ground. I am Rex H. McTyeire; Maj, US Army Special Forces (ret). I will hit 60 this year; and I am appalled at the direction of things lately, nationwide. I can't do as much as I used to, but I am a bright old fart: have PC, can write, organize, and communicate. I am here in Gaffney SC.. wishing to be of assistance. (The current local town Police Chief is my Bro-In Law.)

How can I help and participate? I am politically active internationally in the Independence for Scotland movement ..and an elected member of the Scottish Independence Convention as a US citizen of Scot descent. Then I discovered there was a threat to my own Independence. NOMW!! (Not On My Watch. :-).

[NOTE: Go [here](#) to read an article Major McTyeire wrote for

the Winter 1990 issue of *Special Warfare*, entitled *Operations and Intelligence: Keeping Pace With Special Forces Missions*].

COMMENT FROM OATH KEEPERS: No permission necessary, Sir! We suspect you have been an oath keeper since 1967. Your knowledge, experience, and abilities would be absolutely invaluable to our efforts - and mustang SF officers are especially most welcome.

We are actively looking for official Oath Keepers representatives/organizers in each state, so if you are interested in serving in that capacity, please let us know. We would also welcome articles from you. And please encourage your police chief brother-in-law to get involved as well.

If you have a Tea Party in your area on July 4, please consider speaking on behalf of Oath Keepers at that event and conducting an oath ceremony. If you decide to arrange that, let us know and we will announce it on the board and give you any assistance you may need.

It's time for all of us to do whatever we can.

De Oppresso Liber!

OK you Navy, Marine, and Air Force guys, you need to get busy! We have seen a two star Army General step up, and now a Special Forces Major. The Army is putting you guys to shame!
