Vietnam Navy Vet Knows Resolve

**U.S. Navy 10/63 to 1/71. Nam 1965, 1967, 1970.
The worst 8 years of my life were spent trying to
stop what ignorant Americans just voted into
office. I will defend against this domestic enemy.**

**We home-schooled our children so they would not
be indoctrinated by the government school system
and all but one of them is conservative. The one
with the masters degree is a socialist and
supported Obama. This is dividing families as well
as the nation.**

**Lock and load! Stand and fight!
