Active Duty Idaho Peace Officer Calls on Brother Officers to Join Oath Keepers

Just for the record!

We are also PEACE OFFICERS IN RANK!! (among the Oath Keepers).

We will not break the law but intend to RESPECT IT!

Just one last note.

RESPECT IS EARNED (NOT GIVEN)!

ANY BROTHERS OUT THERE?

Join us here at Oath Keepers (<http://oath-keepers.blogspot.com/>)

Go to the meet up groups in your state and look for a group like the one in Idaho.

<http://www.meetup.com/OATH-KEEPERS-OF-IDAHO/>

If you don't have one in you state yet then be assertive and START ONE!

Contact Stewart Rhodes and find out how!

**God be with ALL you GOOD Men & Women out in
this land we call AMERICA!
You are NOT ALONE.
OUR CHILDREN ARE COUNTING ON YOU.**

OUR MISSION IS TO OBSERVE, INFORM, REPORT.

Anonymous Idaho Peace Officer

NOTE: The term "Peace officer" brings to mind the primary purpose of an officer - to keep the peace, i.e. to keep people from harming each other, and to protect the lives, property, and liberty of the people, using the officers discretion and sound judgment, rather than to just blindly enforce whatever law the corrupt politicians pass, however much it violates the people's rights.
