Testimonial: In the movie ‘Clear and Present Danger’, Vice Admiral Greer reminded Jack Ryan of his oath:

“You took an oath, if you recall, when you first came to work for me. And I don’t mean to the National Security Advisor of the United States, I mean to his boss... and I don’t mean the President. You gave your word to his boss: you gave your word to the people of the United States. Your word is who you are.”
