Photos of Tehran, Iran, and its People You Won't See in Our Media

Click [here](#) to watch a very interesting slide show of photos of Tehran and its people that our mainstream media is unlikely to show you. As the talking heads on TV whip up a war-frenzy and public fear of Iran, they tend to only show photos and footage of Iranian President Mahmoud Ahmadinejad, as if it will only be him and his soldiers who will be bombed. Watch this to see who will really suffer.

Props to www.prisonplanet.com for the link.
