Testimonial: To President Obama and,

1. Dianne Feinstein

2. Piers Morgan

3. Andrew Como

4. Michael Bloomberg

and other traitors to the US Constitution:

Please be advised that I will not comply with any additional amendment, law or infringement upon my Constitutional Rights or the Bill of Rights. As an American patriot I now draw the line in the sand. Like my brothers and sisters before me, I will make the ultimate Sacrifice to live free and not to be a slave of your insane plan for America.

As traitors to the American People and Liberty you will be defeated and exposed.
