Special Forces, Rangers, Seals, and
Force Recon Veterans will support and
defend this "COUNTRY, IT'S PEOPLE,
THE CONSTITUTION, THE FLAG AND
LIBERTY"

Dear Friends,

I along with a few of my friends (I will not disclose the exact number) have been watching your site for a while. We are all veterans made up of Former Army Special Forces, Army Rangers, Navy Seals and Marine Force Recon. Each and everyone of us have seen and fought in combat through out this world. I will inform you now that if the need arises for us once again to pick up our weapons to support and defend this "COUNTRY, IT'S PEOPLE, THE CONSTITUTION, THE FLAG AND LIBERTY" we will stand with you. We took the Oath and we still live by it today. Let's just hope and pray it does not come to that.

Sincerely,

Bill
