Sam Andrews

Sam Andrews, who is heading up the the Oath Keeper operation in Ferguson MO, was interviewed by Jason Van Tatenhove. Sam, very simply, and eloquently destroys the Main Stream Media attempts to demonize the Oath Keepers, and their role in helping to calm and stabilize the situation there.

Last November, Sam led a group of Oath Keepers who protected some businesses, when the Police were pulled back, allowing rioters and looters to destroy, or damage, many buildings and businesses.
