The below *very* heartfelt video testimonial/oath swearing by Maggie Passaro was sent in a message to the Oath Keepers' MySpace page:

From Maggie Passaro: My pledge to the oath keepers

This is my pledge , in a show of support and appreciation.

My Pledge To The Oath Keepers

Thank you Maggie! You do us *great* honor, and your support and willingness to take the oath refreshes our spirits and renews our commitment to keep our oaths at all costs. We welcome you as an honorary Oath Keeper. - Stewart Rhodes and the Oath Keepers crew

Oath Keepers, let this good lady's faith in you serve to remind you of your high calling as Guardians of the Republic. Don't let her down. Defend her and the rest of the American people with all your might, to the utmost extent of your power. Remember your oath. Do your

duty.
