We live in a divided nation for many many reasons but I believe the #1 reason is sin. Many of us have sinned and repented thank God for Jesus, but many of us have not repented including those at the fed level. Read the Old Testament The book of Kings. When you do you will find that a good king and the people had peace and prosperity, an evil king and the people had no peace or prosperity. Funny thing sounds like us don't it. God Bless America and the Oath Keepers! ]]>

When Lincoln came into "power" he raised the tax on a bale of cotton from 10 cents per 100 weight to \$1.30 per 100 weight. ]]>

Then they better get rid of LGBT racist Flag! ]]>
