Business owner accuses company of colluding with federal government

This article was written by Adan Salazar for [InfoWars dot com](#)

International shipping company FedEx stands accused of refusing to ship a small business owner's gun-related product, in what the entrepreneur claims is an underhanded attack on gun rights, individual liberty and the Second Amendment.

Dark Wallet innovator and 3D printed gun inventor Cody Wilson says FedEx's refusal to ship his company's latest product, the Ghost Gunner, has left him with no way to fulfill paying customers' orders, effectively putting him out of business.
