Unfortunately, while eastern fascist/ extremism is on the rise, western civilization is in decline. The USA is being torn apart by self serving politicians, lawyers, educators, journalists, and even clergy who promote liberal and feminist agendas that diminish our national security and public safety. Unless we support leaders who will turn this around we will have more racial divisions, terrorism, anarchy, and economic chaos that will most certainly destroy American culture and life as we know it.+]]>

Reading the text of back pedaling 2x in case the trust worthy didn’t catch that yields far more believers in the “virgin mother” than American/European Christian history.]]> <https://www.oathkeepers.org/lyle-rapacki-text-of-gettysburg-event-speech/#comment-27275> Mon, 06 Jul 2015 11:13:43 +0000

God bless you and this great Republic!]]> <https://www.oathkeepers.org/lyle-rapacki-text-of-gettysburg-event-speech/#comment-27267> Mon, 06 Jul 2015 10:29:18 +0000 <https://www.oathkeepers.org/?p=7055#comment-27267> Dr. Lyle – It was certainly an honor and privilege to share the podium with you at the ‘Gettysburg Healing and Reconciliation of the Races’. What a powerful event!

The HUMAN RACE is certainly on the precipice with our arrogance and dismal of the creator. The enemy’s intent to divide and conquer through racial mis-truths are a ‘red herring’ that has allowed this nation to establish Sodomy and the murder of the innocent (abortion) to become our new National standard. His deceit of the people has given him the power to destroy the Creator’s creations and family (His race). The only weapon of choice against such evil is to repent and “Appeal to Heaven”. Thank you for raising America’s genuine National Standard, and presenting the requisite battle plan for this war. Let us APPEAL TO HEAVEN, as the patriarch Daniel!
