

W E D N E S D A Y ,

You can count on this old Marine to have your 'six'.

I am a combat Marine and Vietnam Veteran. I last wore the uniform almost forty years ago, I was honorably discharged from my Marine Corps almost thirty-seven years back. I was never 'relieved' of the oath I swore to protect and defend country and Constitution against all enemies, foreign and domestic, nor have I ever desired to be.

I applaud this initiative, and will do all in my power to support it.

You can count on this old Marine to have your 'six'.

J.D. 'Duke' Schechter
