THE INTERNATIONAL JEW: THE WORLD'S FOREMOST PROBLEM

by Henry Ford, Sr.; "Being a Reprint of a Series of Articles Appearing in The Dearborn Independent From May 22 to October 2, 1920". Reprinted 2004 by Liberty Bell Productions, PO Box 890, York, SC, 29745; www.libertybellpublications.com ; 803-684-4408; ISBN: 1-59364-018-8. [EA note: I cannot force myself to read much of this book, because of the unbridled bigotry and racial hatred which inspired it. I bought the book just to prove to myself that it actually exists. I've been told that Adolf Hitler kept stacks of this book on a table and required his officers to read it. This is from one of the big "Coal Powers of the Nineteenth Century", as John Taylor Gatto called them — the founders of the great tax-exempt Foundations which have greatly influenced the General government in Washington D.C. — Ford, Carnegie, Rockefeller, and Morgan. Of particular interest, the Ford foundation has funded the La Raza organization for decades.]
