You are right, and we will go through the tribulation period. How else will we be purged, purified, and refined? Look what the lies told about Rapture have done. They have led the elect to believe that we had nothing to fight for, so therefore our brethren have not occupied as instructed. Doctrines need to be judged by their fruit too.]]> <https://www.oathkeepers.org/9808-2/#comment-67052> Sun, 31 Jan 2016 22:59:24 +0000 <https://www.oathkeepers.org/?p=9808#comment-67052> The following describes the fall of the USSR. It may be helpful.

“In Russia, normalcy broke down in a series of steps. First, people stopped being afraid to speak their mind. Then, they stopped taking the authorities seriously. Lastly, the authorities stopped taking each other seriously. In the final act, Yeltsin got up on a tank and spoke the words “Former Soviet Union.”

<https://www.oathkeepers.org/?p=9808#comment-66590> Just listened to the Corbert Report from Japan, if what I am hearing is correct, and I believe that I am, cash is being phased out at an ever increasing rate. Norway, Canada, Australia and even the U.S. are using much less cash and more and more plastic. Now reading other articles on OK site, food costs in Canada, No wood stoves, smart meters, it started out slowly and now every day more and more am I hearing of and you and I both know it is all about total control of the lemmings. Soon they will have us so brainwashed that we will be marching over cliffs into the deep blue sea

I am a Christian, and I know there are many brothers in Christ on Oath Keepers and others maybe in the middle and still others that just do not believe. To the brothers I say you know this was all foretold thousands of yrs. ago and here it is. We are there we are in the last days. I am not a pre trib Christian, but I hope I am wrong because the hammer is falling and falling fast. America won't wake up. REAL ZOMBIES. I hope and pray that the rest of you in the patriot movement, will consider seriously that Jesus Christ died for you so that you would not have to. With out God the U.S.A. is over. and finished. Even if the Lord does spare part of this country out of Anti-Christ's hands it is only to help others from other countries to escape him too. When the Lord does come back on His Day. All of the nations will blow away (including America) and will come under the Lord's headship. I am not a writer nor a fancy talker, all I know is what I know and I hope ALL of you will find this out before it is too late.]]>
